

Engineering Department

DATE: May 18, 2021
FROM: Gabe Schell, City Engineer
ITEM: Right of Way and Utility Easement

REQUEST

Request dedication and acceptance of right of way and utility easement associated with Elk Ridge 2nd Addition

Please place this item on the 5/25/2021 City Commission meeting agenda.

BACKGROUND INFORMATION

Multiple easements are required to place municipal infrastructure typically sanitary sewer manholes and erosion control berms just outside of the plat boundary of Elk Ridge 2nd Addition. These areas would be included as platted right of way in future platting actions. In the interim, these easements allow for the installation of maintenance of municipal infrastructure outside of the plat boundary.

RECOMMENDED CITY COMMISSION ACTION

Approve the dedication and acceptance of right of way and utility easement associated with Elk Ridge 2nd Addition
