BACKGROUND INFORMATION:

Bismarck Airport advertised for one 1 ton regular cab pickup, two ½ ton double cab pickups and one large SUV to replace aging vehicles. Bids were opened on June 7, 2021, at 4PM. One bidder, Cedric Theel Toyota, submitted bids for two ½ ton double cab pickups for \$45,500 each and an add-alternate additional ½ ton double cab pickup for \$49,686.00. The specifications require that the bidder meet requirements of Cares Act Funding, particularly Buy-American. Toyota meets Buy-American type 3 waiver (60% American parts and assembled in United States). A Buy-American type 3 waiver will be submitted to Federal Aviation Administration. Approval of the waiver allows Bismarck Airport to reimburse 100% of the vehicle cost Bismarck Airports Cares Act Grant AIP-63 or CRRSA Grant AIP 66.

RECOMMENDED CITY COMMISSION ACTION:

Receive the bids and award to Cedric Theel two ½ ton double cab pickups for \$45,500.00 each (total \$91,000.00) subject to FAA approval to Buy American waiver.
