

MEETING OF THE BOARD OF CITY COMMISSIONERS

September 30, 2021

On September 30, 2021 the Board of City Commission met for a Special Meeting, at 12:30 p.m. in the Mayor's Conference Room, 221 N 5th St. Consider and approve a change order for the landfill cell #1 construction project.

Those present included: Mayor Bakken, Commissioners Guy, Marquardt, and Zenker.

It was discussed that landfill cell #1 has water consistently flooding it, and that a pump is needed to control this.

Commissioner Marquardt made a motion to approve the change order as presented. Commissioner Guy seconded. Upon roll call all voted aye. M/C

Meeting was adjourned at 12:40 p.m.
