

## Police Department

**DATE:** 1/18/2022  
**FROM:** Dave Draovitch, Police Chief   
**ITEM:** Narcotics Vehicle Purchase

### REQUEST:

The Bismarck Police Department requests authorization to trade in the 2018 Ford F-150 and purchase a 2022 Ford F-150 for the narcotics unit.

Please place this item on the 1/25/2022 City Commission meeting agenda.

### BACKGROUND INFORMATION:

The 2022 budget for the narcotics unit included approval for the purchase of a vehicle to replace the 2018 Ford F-150 currently assigned to the unit. It is important to rotate undercover narcotics vehicles as they have a high propensity to get “burned” and recognized by the criminal element. Quotes for other vehicles were obtained and the quote for the 2022 Ford F-150 from Red Rock Auto (Dickinson) appears to be the best offer. The trade-in value of the 2018 Ford F-150 was given as \$36,000. The amount budgeted for 2022 for the new narcotics vehicle was \$24,999. With the addition of legal tint and the document/administrative fees the total bid came in at \$18,390 which is \$6,609 under the budgeted allotment.

### RECOMMENDED CITY COMMISSION ACTION:

Grant permission to trade-in the 2018 Ford F-150 and purchase the 2022 Ford F-150.
