List the skills or qualifications you could bring to this board, commission or committee:*

I have served on many local Bismarck Boards and have been the Board President for Salvation Army, on the Bismarck Schools ALC Board, BSC Diversity Team, MLK Holiday Commission Board, and am currently the Executive Director for Bismarck Global Neighbors. During my time as City Auditor/Administrator in Tioga, ND during the oil boom, I also sat on several city committees at that time so very familiar with city boards and processes.

Please explain your reasons for wanting to serve on this board, commission, or committee:*

I have only heard great things from your group from current board members and had a great visit with your crew at the MLK event that they hosted a table at as I was main coordinator at that event. I feel that the Human Relations Committee fits very well with the mission and vision of the non-profit that I currently am a Director for, Bismarck Global Neighbors whose main goal is welcoming people from all backgrounds and equity among people and encouraging diversity and celebration of culture within Bismarck and North Dakota. I have over 20+ years working with New Americans, International Students, and immigrant populations and even longer for non-profits and community organizations in general. I am also a small town ND girl and have an appreciation for people from my home state. I love being able to be that bridge that brings local communities together.
