

Engineering Department

DATE: March 14, 2022
FROM: Gabe Schell, City Engineer
ITEM: Water Utility Project WU 137

REQUEST:

Request to Receive Bids and Award Contract for WU 137

Please place this item on the March 22, 2022 City Commission meeting agenda.

BACKGROUND INFORMATION:

Water Utility Project WU 137 is the City's annual water main replacement project for 2022. This project consists of approximately 12,600 LF of water main replacement by pipe bursting and appurtenances. Work is scheduled at several locations in central Bismarck.

The engineer's estimate is \$3,208,753.90. The bid summary and project budget will be distributed prior to the commission meeting.

This project is included in the 2022 CIP for the Water Utility. The City is again pursuing a loan through the State Revolving Fund (SRF) managed through North Dakota Department of Environmental Quality (NDDEQ) to offset the costs.

Project Schedule

| | |
|-----------------------------|------------------|
| Receipt and Opening of Bids | March 17, 2022 |
| Award of Bid | March 22, 2022 |
| Project Completion | November 1, 2022 |
