

City Administration

DATE: March 29, 2022
FROM: Keith Hunke, City Administrator
ITEM: Bismarck State College Polytechnic Facility

REQUEST:

Receive update from Doug Jensen; Ed.D., President of Bismarck State College regarding new Polytechnic Facility.

Please place this item on the April 26, 2022 City Commission meeting agenda.

BACKGROUND INFORMATION:

As North Dakota’s Polytechnic Institution, Bismarck State College (BSC) is constructing a new facility with flexible, accessible, and transformational spaces in support of our Polytechnic mission. This space is unique in the creation of non-traditional academic collaborative learning spaces with flexible labs that are adaptive and configurable to workforce needs. In addition, there will be space for collaboration with industry partners to work on projects and partner on applied research. This facility will support project-based learning and multidisciplinary activities. This space will be an economic differentiator for the City of Bismarck.

RECOMMENDED CITY COMMISSION ACTION:

Receive update from Doug Jensen; Ed.D., President of Bismarck State College regarding new Polytechnic Facility.

STAFF CONTACT INFORMATION:
