

Police Department

DATE: May 13, 2022 *DD*
FROM: Dave Draovitch, Police Chief
ITEM: Decommission old mobile radios

REQUEST:

Decommission of old police mobile radios

Please place this item on the May 24, 2022, City Commission meeting agenda.

BACKGROUND INFORMATION:

Due to SIREN 2020, the City of Bismarck invested in new radios to replace our obsolete and failing radio system. Now that all new radios are installed, we are left with finding a place for the old radios that have no value. No other city departments have use for them, but the City of Mandan would like a donation of radios for public works operations.

RECOMMENDED CITY COMMISSION ACTION:

Donate 63 radios to the City of Mandan.
