

Public Works Service Operations Department

DATE: May 17, 2022

FROM: Jeff Heintz, Public Works Service Operations Director

ITEM: Permission to advertise for public sale as described in City Ordinance 7-01-05 (Conveyance Sale, Lease or Disposal of Real or Personal Property) the salt/sand storage fabric building facility located on the Public Works property

REQUEST:

Approval to advertise for public sale, the salt/sand storage fabric building facility located on the Public Works property.

Please place this item on the May 24, 2022, City Commission meeting agenda.

BACKGROUND INFORMATION:

With the Public Works expansion project underway, the existing salt/sand storage fabric building facility needs to be removed. I recommend offering the facility for sale through a public sealed bid option which requires commission approval.

RECOMMENDED CITY COMMISSION ACTION:

Approve advertising for public sale, the salt/sand storage fabric building facility located on the Public Works property as described in City Ordinance 7-01-05. The highest bid would be brought back to commission for approval.
