Consider a \$500 sponsorship to the 2024 North Dakota Excavator Meeting.

BACKGROUND INFORMATION:

We are requesting the Board consider a \$500 sponsorship to the 2024 North Dakota Excavator meeting to be held in Bismarck on March 20, 2024. City of Bismarck staff have been attending this meeting for many years. This is an informative training for professional excavators, contractors, and member utilities.

By sponsoring this meeting, the City's name/logo will align with the positive benefits of this meeting; bringing people to Bismarck for professional development, staff networking, safety training, etc.). Excavator meetings are a place to learn about any changes along with your rights and responsibilities under the North Dakota One Call law. It is a chance to meet with some of your local utility company's employees to discuss excavation related issues. Safe digging is everyone's responsibility and takes a commitment from all individuals involved. The Street Light/Traffic Signal will pay for this sponsorship with the safety training budget.
