

Public Works Utility Operations

DATE: March 12, 2024

FROM: Michelle Klose, Director Public Works Utilities

ITEM: Professional Organization Coverage of Expenses for AWWA DC Fly-In

REQUEST:

Approve acceptance of expense coverage from professional organization for AWWA DC Fly-In.

BACKGROUND INFORMATION:

Delegates from around the United States attend a Fly-In in Washington, DC to meet with congressional leaders to discuss issues impacting water utilities, such as infrastructure funding. The professional organization reimburses travel expenses for one delegate for every 10 members of the U.S. House of Representatives from each state. The section reimburses one additional delegate. This year Michelle Klose and James Kershaw have been asked to represent the organization and water systems across the state by attending the Fly-In in April 2024 to discuss water utility issues impacting North Dakota.

RECOMMENDED CITY COMMISSION ACTION:

Approve acceptance of expense coverage from professional organization for AWWA DC Fly-In.
