

2023 TRUCK & DELIVERY ROUTES

March 30, 2023

Any vehicle with an actual or registered gross vehicle weight of 10,000 lbs. or more must use designated truck or delivery routes as provided in the city ordinance.

NON-TRUCK ROUTE STREETS: Trucks may travel off of these designated truck and delivery routes only to reach or leave a destination with the shortest possible distance of travel on an undesignated route.

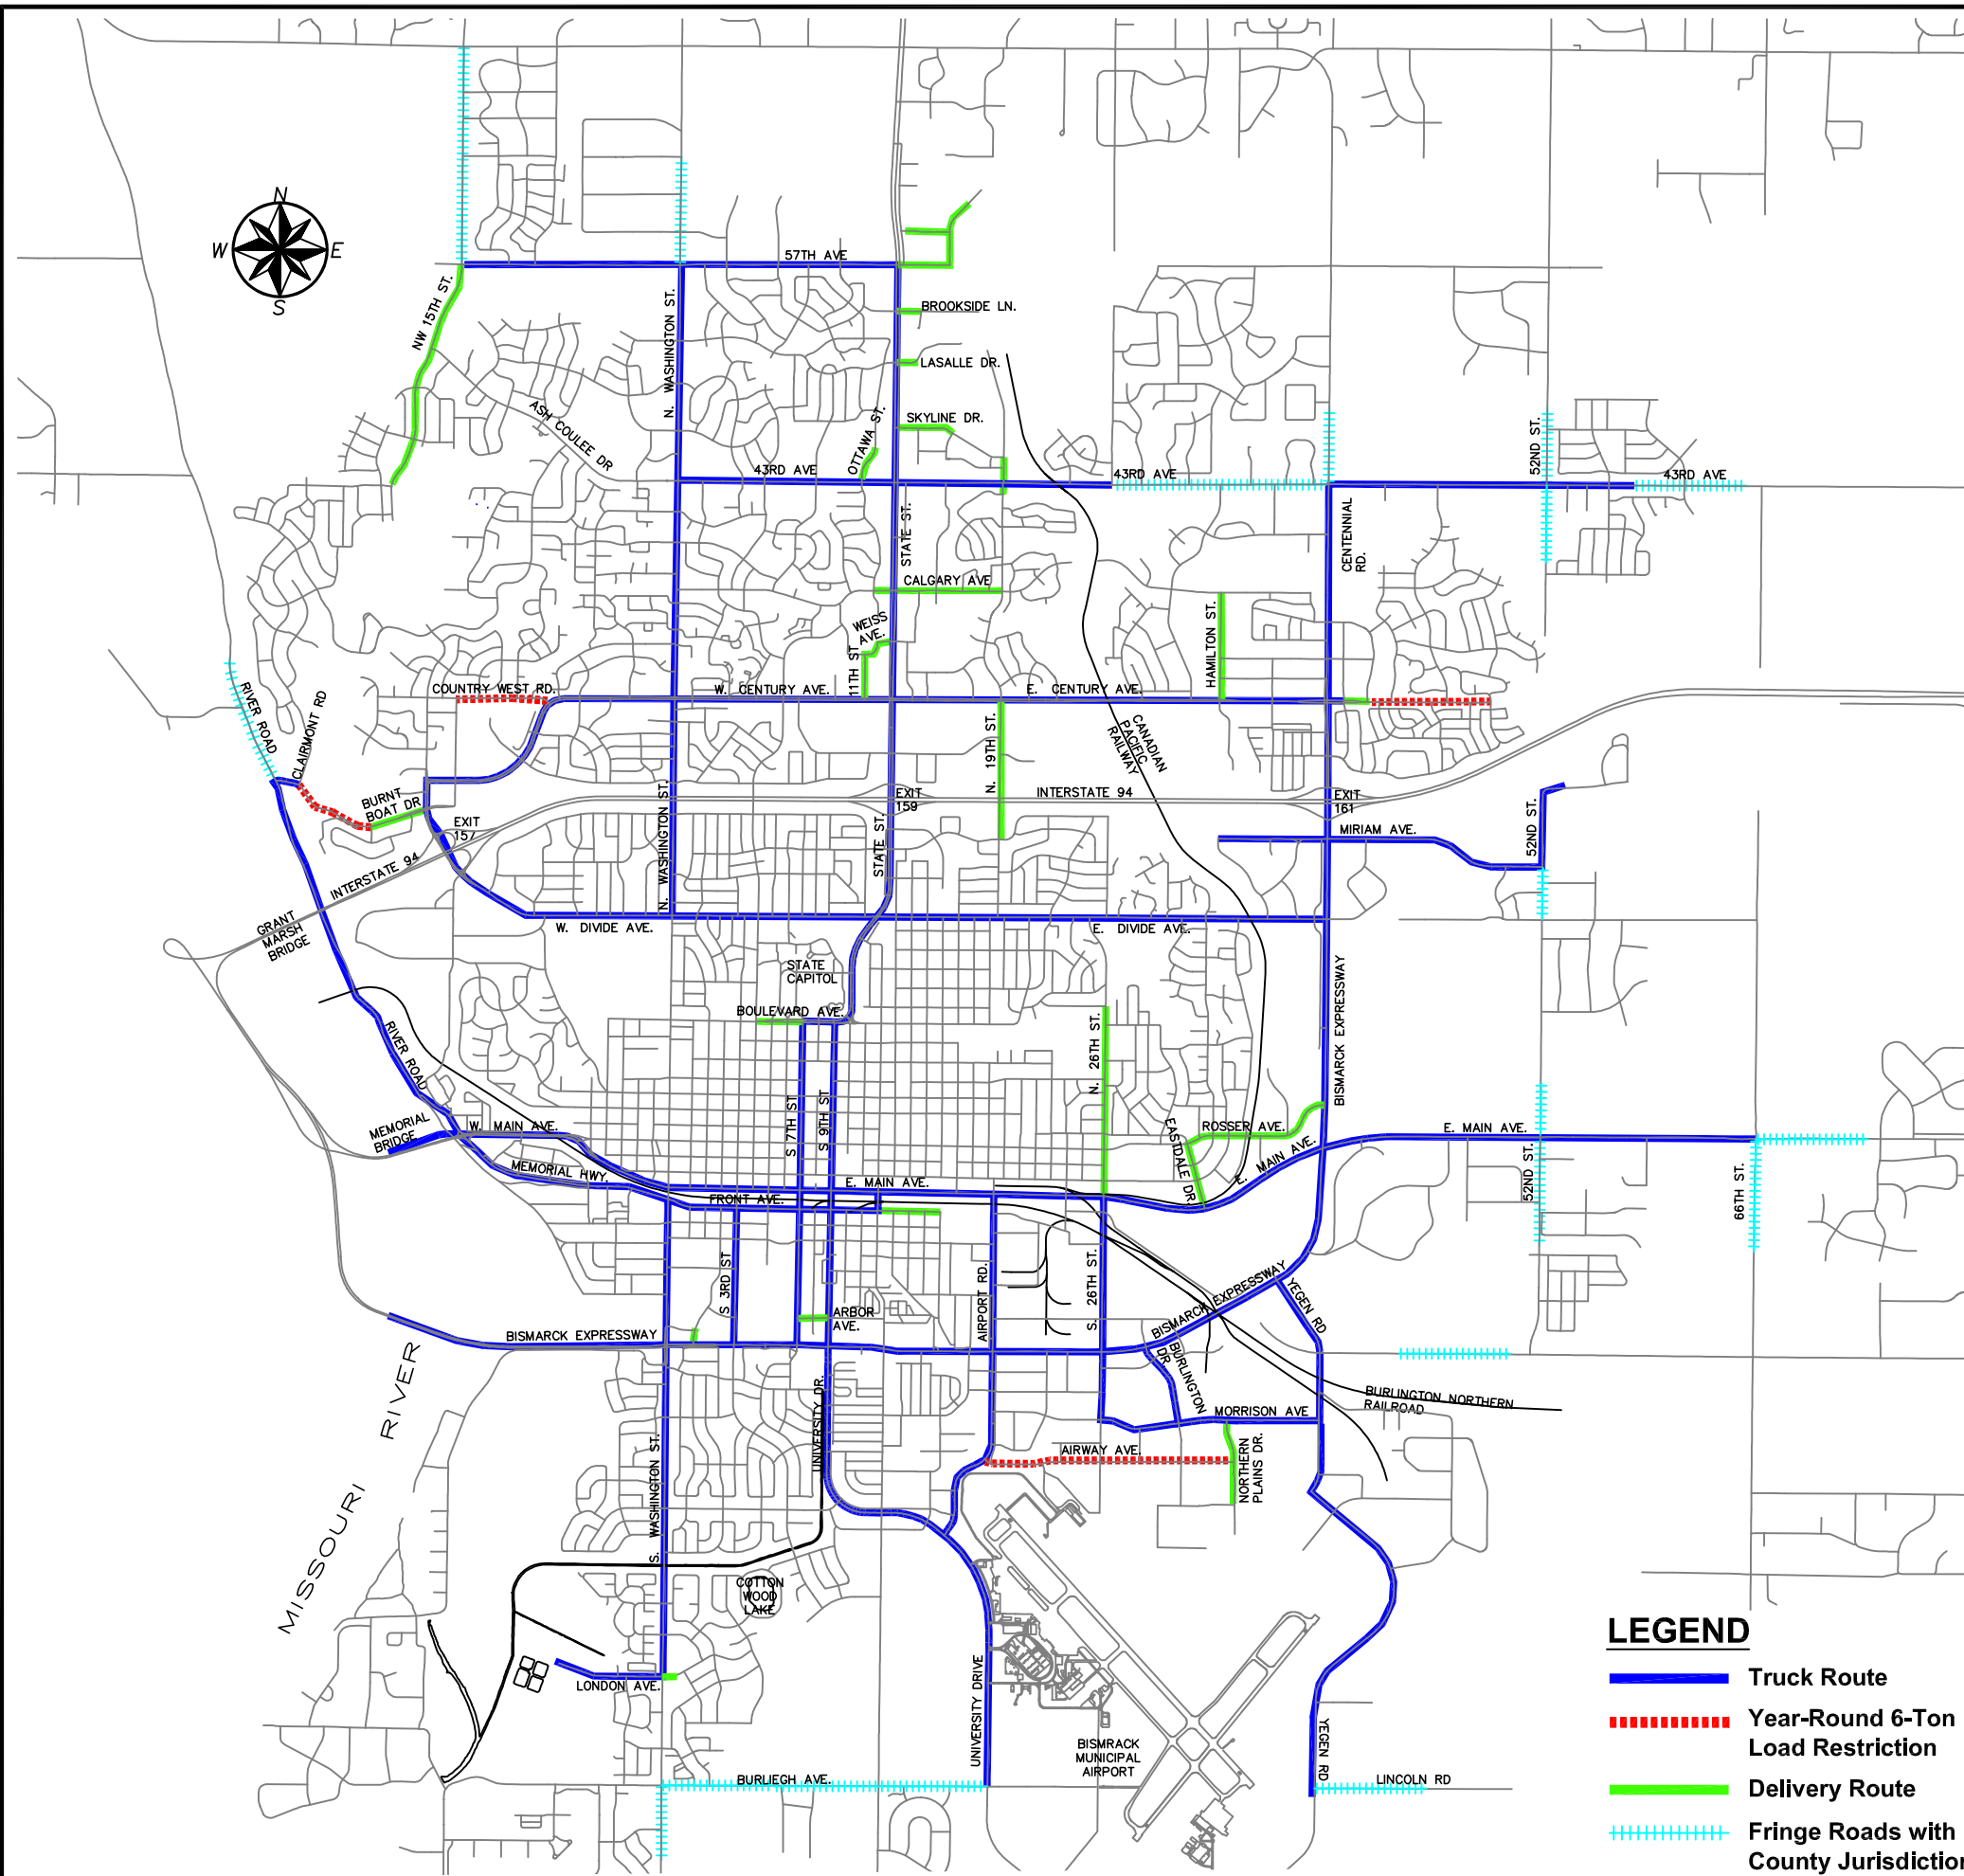

LOCAL DELIVER & PICKUP Trucks used for home delivery and pickup must use truck routes except when making deliveries or pickups. Designated delivery routes are shown on the map. Travel between delivery or pickup sites must utilize truck routes when this will reduce travel on non-truck routes streets.

LOAD RESTRICTED ROUTES: Several streets are limited year-round to 6-Ton Load Restrictions. No vehicles on these routes may exceed the 6-Ton Load Limits regardless of destination. These streets are: Country West Road from Clydesdale Drive to Century Avenue; Century Avenue from Greensboro Drive to Kost Drive; Airway Avenue from Airport Road to Northern Plains Dr; Burnt Boat Drive from Grandview Lane to Clairmont Road.

All restricted routes are signed. The City of Bismarck reserves the right to change or establish additional load restrictions on city streets as deemed necessary.

6-TON :

- Maximum Load Per Single Axle: ----- 12,000 lbs
- Maximum Load Tandem Axles: ----- 24,000 lbs
- Maximum Load Per Axle, group
of Three or More ----- 30,000 lbs
- Maximum Gross Weight ----- 80,000 lbs
