Money raised from this event goes towards the support of:

RSVP by calling Travis Rau at 701-355-1894 by Thursday, June 19 or [Eventbrite.com](https://www.eventbrite.com)

Our speaker this year is Haley Wolfe, a native of Carrington, ND and currently living in Fargo, ND. She is a Senior at Minnesota State University Moorhead pursuing a Bachelor of Science in Accounting. She plans to obtain a Master of Accounting and Finance Degree as well as her Certified Public Accountant's license.

Haley's Social Impact Initiative, #BeThe1To, is a social movement educating those who want to help others struggling with suicidal thoughts and actions. It's a simple five-step action plan that guides someone who wants to help another that might be struggling. #BeThe1To focuses on asking people in a direct, unbiased manner if they are struggling, and communicating that it's ok to feel lost and yet ask for support.

In 2019 Haley competed for the Miss America title and found time to assist the Crisis Care Chaplaincy in producing two suicide prevention videos.
