

CLEAN-UP WEEK

September 18-21

General Information

- All garbage and special items must be out by 6:00 a.m. on the regular scheduled garbage day.
- Place items for special pick-up on the boulevard.
- Garbage must be bagged and placed at normal collection point.
- Separate items for collection. This allows us to recycle tires, metals, woods, appliances, etc.
- Items will be picked up in varied timelines by the type and purpose of the equipment.
- In addition to the regular refuse collection trucks, we have several pieces of equipment collecting various types of clean up week materials for proper disposal.
- Tree branches must be cut and tied and 4 ft lengths or less.

LANDFILL DISPOSAL

September 18-23

Monday – Saturday: 8:00 am – 4:00 pm

Bismarck residents who display their recent City of Bismarck utility bill or their driver's license with Bismarck address will have free disposal at the landfill September 18-23.

| • Decks | Crews will not pick up appliances or carpet from apartment complexes. |
| • Dirt | Items may be taken to the landfill (charges will apply). |
| • Fences | |
| • Remodeling Debris | |
| • Rocks | <u>Hazardous Waste</u> |
| • Semi-truck Tires | • Chemicals • Paint/Stains |
| • Sod | • Liquids • Weed Killer |
| • Tractor Tires | • Oil |

HOUSEHOLD HAZARDOUS WASTE & ELECTRONIC RECYCLING CENTER

Hours & Days of Operation

9:00 am – 2:00 pm: Tuesday and Thursday

9:00 am – 2:00 pm: 1st & 3rd Saturday of each month

- The City of Bismarck reserves the right to reject any waste.
- Household Hazardous Waste (HHW) and Electronic disposal is free of charge for Bismarck residents. Nonresidents may drop off material for a fee. Stop at the Scale House for disposal procedures. ID is required when dropping off items.
- Household quantities of hazardous materials like paint, weed killer, other chemicals and electronics can be brought to the HHW & Electronic Recycling Center. Please leave these materials in their original containers if possible and transport them in a cardboard box lined with plastic to protect from leaking.
